

Won't you join me in underwriting the feasibility studies
for restoring this fabulous theater?

THE HARDING THEATER (1926) ▶ DIVISADERO AT HAYES, SAN FRANCISCO

**Please help fund the needed groundwork to bring back the historic Harding Theater
for live performances, movies, music, and the community.**

Designed by the architects of the New Mission, Alexandria, Metro, and Grand Lake Theaters (the Reid Brothers), this 1920s silent movie/vaudeville theater is exceptionally intact and features a full stage house and scenery fly tower.

The acoustics of the theater are extraordinary.
The Lamplighters performed here for eight seasons without using microphones.

**Planning is at the initial feasibility stage. To contribute toward the cost
of the needed feasibility studies, mail your tax-deductible check
payable to our tax-exempt sponsoring foundation:**
